This file shows approximately what your design will look like on a size medium/large piece of clothing. Once this is approved, you will see one more file that shows the open shapes at 100% for final approval before production.

**IMPORTANT:** The pantone codes indicated are for reference; Variations can be caused by the color compositions, the materials used, printing methods and the type of transfer paper used. For technical reasons and to adapt the graphic to the shapes of your articles, the artworks can be subjected to variations after the approval. Make sure Logos and spelling is correct. DNACycling will not be held responsible for inaccurate art after approval.
